Held annually, THE SUMMIT is a two-day training conference for pregnancy care center staff, volunteers, and board members that focuses on spiritual growth and excellence in ministry. It includes challenging and encouraging plenary sessions, educational workshops, and purposeful interaction. We encourage participants to pray and consult with staff and speakers. The 2022 Summit is scheduled for May 4-6, from 2:00 p.m. Wednesday to 2:30 p.m. Friday.

YOUR OPPORTUNITY: Because we believe that partnerships between pro-life ministries strengthen PCCs and increase efficacy, we work hard to attract exhibitors to our conference. We offer affordable display space, as well as ad space in our attendee notebook. Exhibitors and sponsors are included in a PowerPoint introduction of Summit participants. Our schedule includes time for participants to interact with exhibitors and our Exhibitor Passport allows guests to acquire initials of Summit exhibitors to be entered in a drawing for prizes.

LOCATION: Maranatha Bible and Missionary Conference, 4759 Lake Harbor Rd, Muskegon, MI 49441

SUMMIT PARTICIPANTS: The Summit attracts approximately 150-200 participants from ministries both small and large, rural and urban, offering everything from material resources to medical services. Our size offers opportunities for personal interaction and gives our conference a friendly, relaxed atmosphere. Participants feel like family and look forward to visiting with each other at the Summit. We have a faithful group of "regulars" but also welcome new groups and individuals yearly.

WHO WE ARE: Life Matters Worldwide serves pregnancy care centers and churches, operating under a set of high standards. We help by:

- offering consultation and training to improve board relations and functionality
- publishing a bi-monthly prayer calendar listing the specific needs of our PCC family
