

a pro-life pledge

I THANK OUR HEAVENLY FATHER for the gift of life – for my own, the lives of loved ones, brothers and sisters in Christ, and all of mankind. We were created to bear His image.

TODAY I PLEDGE to uphold the biblical pro-life message in word and deed. As I fulfill the Great Commission, I will do my part to preserve the sanctity of human life.

I WILL LIVE my life – including my viewing choices – in a way that is sexually pure and respectful of the sanctity of marriage as designed by God.

I WILL PRAY for the end of abortion and other threats to the sanctity of human life.

I WILL SPEAK UP for the unborn, the disabled, the elderly, and the terminally ill – anyone whose dignity or humanity is questioned. I will choose words that show respect for all – even my enemies – and honor their dignity as people who bear God's image.

I WILL TAKE ACTION on behalf of vulnerable human lives where possible, in the way the Holy Spirit leads, with God's grace and provision. I want my life to reflect His mercy, expressing compassion to others in practical and sacrificial ways. I will persevere until all human life is protected or Jesus Christ returns.

Is this your pledge? Then you're well on your way to becoming pro-life to the core, living it from the inside out, making it your way of life. The people who minister through your local pregnancy care center have also taken the pro-life ethic to heart.

- The PCC never provides or refers, approves or advises any woman's abortion for any reason, at any time during pregnancy.
- The PCC always assists women emotionally and practically so they know they have alternatives to abortion.
- The PCC offers information and resources in a compassionate, honest manner; their assistance is free of charge at all times.
- The PCC is committed to assisting all women – regardless of race, creed, color, national origin, age, or marital status – so they may lead them to the Savior, the Source of all hope.
- The PCC represents enormous sacrifices – of volunteer hours, as well as dollars and donated supplies.

This is what our pregnancy care center is doing for hundreds of women each year. To continue, we need your prayer, your support, and your time. Together . . .
